New Business Guide

LOUISIANA
DEPARTMENT
of REVENUE

September 2008

I. INTRODUCTION

New businesses operating in Louisiana are required to register with several state and local agencies. The Department of Revenue has designed this brochure to help guide you through this process.

II. FLOW CHART of REGISTRATION PROCESS

III. STEPS for REGISTERING a NEW BUSINESS

STEP 1:

Determine your Business Entity Type.

- Sole Proprietorship
- General Partnership
- Limited Partnership
- Limited Liability Company (LLC)
- Corporation
- Other (e.g., Joint Venture, Limited Liability Partnership (LLP), Nonprofit Entity)

STEP 2:

Register with the Louisiana Secretary of State, Commercial Division, if applicable. (See chart.)

If you are a sole proprietor or a general partnership, skip this step and go to Step 3. A general partnership is defined as an entity involving more than one individual owner, and each general partner is liable for all the debts of the partnership. If your business is not a sole proprietorship or a general partnership, contact the Secretary of State at (225) 925-4704, 8585 Archives Avenue, Baton Rouge, LA 70809, or go to their website at www.sos.louisiana.gov for more information.

STEP 3:

Determine if you are required to obtain a Federal Employer Identification Number (FEIN).

You are required to obtain an FEIN, also known as a Federal Tax Identification Number, if you meet any of the following conditions:

- Your business has at least one employee.
- You operate your business as a partnership or a corporation.
- You file federal Employment or Excise returns.
- You withhold taxes on income, other than wages, paid to a nonresident alien.
- Your business is a limited partnership, joint venture, limited liability company (LLC), limited liability partnership (LLP), a nonprofit entity, a farmer's cooperative, or a trust.
- Your banking institution requires a Federal Tax Identification Number to open an account.

STEP 4:

Determine if you are liable for Louisiana Department of Revenue taxes.

Contact the Taxpayer Services Division at (225) 219-7318 or the Department of Revenue's web site at www.revenue.louisiana.gov for information and to register online. Additional information may also be obtained from any of the regional or district offices listed on the back of this brochure.

STEP 5:

Determine if you are liable for unemployment tax.

You must obtain an application form for your Unemployment Insurance Tax Number. This form, called a Status Report, is available from the Louisiana Department of Labor, Office of Employment Security. Complete this form and return it to the Office of Employment Security to determine if you are responsible for unemployment tax. If you have any questions about your liability, contact the Louisiana Workforce Commission, Employer Status Unit, 1001 North 23rd Street, Baton Rouge, LA 70804. (225) 342-2944 • www.laworks.net

STEP 6:

Determine if you are liable for local government taxes.

Regardless of the type of business, one or more local licenses may be needed. You must contact your local tax collecting authority to determine which licenses you may need. For local sales tax offices and tax rates go the Louisiana Association of Tax Administrators's website: www.laota.com.

STEP 7:

Contact other state agencies to determine which licenses or permits apply.

You may need to contact other state agencies and boards. Information on permits, registrations, or license requirements may be obtained from the Secretary of State, Geauxbiz, 8585 Archives Avenue, Baton Rouge, LA 70809, (225) 362-5193. • www.geauxbiz.com
